

STUDENT OF THE MONTH

The **STUDENT OF THE MONTH** program is designed to recognize one student per grade per month. Recognition is based on the following criteria:

Citizenship - a student who demonstrates the willingness to contribute positively to the school community through action and deeds.

Achievement – successful application of hard work resulting in the achievement of academic goals. This criteria is not reserved for only the top achiever as identified by numeric scores. The characteristics of hard work, perseverance, and effort are fundamental to this category.

Social Responsibility - a demonstrated ability to maintain positive peer and adult relationships. Socially responsible students also extend themselves to others and recognize that need for actively participating in positive peer interactions.

	Grade 6	Grade 7	Grade 8
September 2023	Vivaswath Donkada	Kayla Lengyel	Logan Nicolle
October 2023	Quinn Skinner	Isabella Herivaux	Christian Resto
